

# BEAVER BUZZ

Dear Store Manager,

I am a loyal customer and very much enjoy shopping at your store.

I would come here even more if you carried my favorite Beaver Buzz Drinks.

They are the best energy drinks available. And they are Canadian!

Please help me to support this great product by bringing it into your retail location.

Thank you for taking the time to read this letter and please call Beaver Buzz to get some more information on this great tasting energy drink for your store.
